## NEWSLETTER NOVEMBER 2022

### Advent

Jesus, you remind us  
that Advent fills all time  
and the journey is everywhere.  
Like the Magi we travel  
from the head to the heart;  
from the city of learning  
to the fields wide open to the sun;  
from the meaning of words  
to the knowledge beyond them'  
from the music notes on paper  
to the sound of the concerto;  
from the smallness of the manger  
to the Love that holds the universe in being.

Dear Friends

Hopes and dreams are what keep us going. To live without either of these is a very bleak place to be. Dreams come in two main varieties. There are the dreams we have when we are asleep. These are the ones that colour our sleeping with sometimes weird or even scary thoughts such that we may feel relieved to wake up and find it was all a dream. The other kind of dreams are the ones we have when we are awake and we are thinking about how our future may be or how we would like it to be. Many people spend their lives working to achieve these dreams and humankind has often benefitted from their results.

Hopes go hand in hand with dreams but are often on a lesser scale. When I go to the dentist I hope that there will be nothing to be fixed but I don't dream about this (although it can be a bit of a nightmare experience!). I save my dreams for bigger and more important things.

Lately in church we have been reading from the book of the prophet Jeremiah. Jeremiah can seem a bit of a dream-slayer because he was a realist. He saw things as they were and wanted God's people to see their own reality too. The people of God had been conquered and taken into exile in Babylon. They longed to return home but Jeremiah told them this wasn't going to happen soon and that they must make the most of their situation and settle down in the new place they had to live. In a way, he did this in order to allow them to settle and become able to hope and dream again. And ultimately they did return to Israel and start afresh, both in their daily lives and in their renewed relationship with God. It can be hard sometimes to be realistic about the world we live in, and at the same time to hold on to hopes and dreams of a restored and fulfilled future. But this is what we are called to do.

I am writing this on Labour Day. By the time you get to read it, the annual church fair will be just a day or two away. At the moment I am hoping for a fine day (although the forecast doesn't look good), plenty of shoppers, and a good result. But I am dreaming of a time when we are not so dependent on the money from the fair to keep us going. Our fair is, of course, more than a money-making venture. It is a time when we build our St Margaret's family by working together, and we build our links with our wider community on the day as people come and enjoy finding a bargain and eating food together at the café. I imagine the fair will always be an annual event for St Margaret's because of the benefits it brings.

We are in the process of seeking a new minister for St Margaret's to lead us into the future. Realistically we know that this is not easy, but we remain hopeful that the right person is there for us. Our dream is bigger: we want to be a strong, welcoming community sharing God's love and compassion with our neighbours. We want to be part of the building of God's kingdom when everyone will have what they need to live in dignity and peace.

## Session membership changes -

**Shirley Main** was ordained as an elder and inducted onto the Session at St Margaret's in October 2007. In early 2021, she took leave from Session while dealing with some health issues. While not an active member of Session, Shirley has continued to be an important part of the Pastoral Care Team at St Margaret's. She will continue this work, but has reluctantly tendered her resignation from Session. Session greatly values Shirley's ongoing work in pastoral care and her active involvement in the life of the church. We thank her for her many years of service as a Session member.

**Ray Betteridge** was ordained in September 1986 and has served on Session for much of the time since then. Session reluctantly accepted Ray's resignation at its October meeting and thanked him for his many years of service. While Ray will be missed at Session meetings, his lifelong love of, and commitment to, St Margaret's continues. We appreciate his willingness to continue contributing his knowledge of the church's history, his wisdom and his practical skills whenever they are needed.

**Malcolm Galloway** will be taking a years' leave of absence from Session, commencing at Christmas. The Galloway family will spend 2023 living and working in Scotland. While St Margaret's will not be quite the same without Malcolm's knowledge and expertise, not to mention his humour, we know that this is a wonderful opportunity for the whole family. We wish Malcolm, Lynsey, Ella and Sophie all the best for their adventure and will be looking forward to their return at the beginning of 2024.

## At Muffin Break

A group of senior citz were sitting talking together about their various ailments one day at Muffin Break in the Mall.

“My arms have got so weak, I can hardly lift this cup of coffee,” said one.

“Yes I know,” said another – “my cataracts are so bad I can barely *see* my coffee!”

“I couldn’t even mark an X on the voting paper at the last elections because my hands are so crippled,” volunteered a third.

“What did you say? Speak up – I’m having trouble hearing you,” said another.

“Well, **I** can’t turn my head because of the arthritis in my neck,” said one, to which several nodded weakly in agreement.

“You know, my blood pressure pills make me feel really dizzy,” exclaimed another.

“I sometimes forget where I am **and** where I’m going,” said one very sadly.

“I guess this is the price we all pay for getting old,” winced an old man as he slowly shook his head. And the others nodded in agreement.

“Well, **I** think we should all count our blessings,” said one woman cheerfully – “thank God we can all still drive!”

Some of the terms used in the above report have come direct out of XERO and may be customized as we get to understand more about the package.

Operating Expenses includes \$4,292 Insurance paid in September based on the old Valuation. After Wall Arlidge's new Valuation figures were provided to the Church's Broker, Crombie Lockwood, last month, it became evident that cover had not been reinstated to include Natural Disasters e.g. Earthquake following the completion of the Earthquake strengthening project in 2019. They have now corrected this oversight and the new quote has come in at a staggering \$16,296.19 before GST. The Church Property Trustees have confirmed that we are required to take full cover including Natural Disasters. The Budget for 2023 approved at the AGM allowed \$6,000 for Insurance premiums and the only real consolation is that we have not sustained a claim during the interim years.

Funds available for general operations at 30 September 2022 amounted to \$153,224.35.

The problem with the leaking Lounge Roof and Church foyer has been referred to the original builder and we are awaiting an on-site meeting with the Builder and Roofing Contractor. In the meantime, the carpet in the corner of the Lounge has been lifted, dried and aired, using a commercial blower and dehumidifier.

## UPPER HUTT FOODBANK

I was re-elected Chairperson of the Foodbank at the recent AGM and I wish to express my gratitude to those members of St Margaret's who regularly provide valuable support to the Foodbank. I am still looking for volunteers who are available to help with the Appeal outside Countdown Queen St on Saturday 19 November 2022, so if that sounds like you, please call me. Lance Hurly 04 5285461.
